

Perth Strathtay Harriers:

New Club Logo

Dear Members,

The votes are in; they have been counted and verified.

As you will know, over the last few months the club has been working to look at rebranding the club's logo. The purpose of this change was to find a simple, and sleek design, that better represented the club.

Working with a local company, 3 designs were presented to members and in early in March the vote was taken across several club training sessions, and you have decided that our new logo is.....

This design is a modern and dynamic interpretation of the double headed eagle from the Perth crest.

Next Steps....

Over the coming weeks, we'll start the work of rebranding club documents, social media and website. while developing a new club shop range!

This will take some time to complete, so keep a look out for the changes as they come through. A massive thank you goes to all who have worked on this.

I believe this new logo gives Perth Strathtay Harriers a look and feel that we can truly stand behind and wear with pride.
